

## CODE OF CONDUCT

### Introduction

The Transparency International Australia (TIA) Code of Conduct applies to all Board members, TIA employees, volunteers and interns.

Its purpose is to set out the standards of conduct and behaviour expected by TIA.

### Our Vision

I am committed to TIA's vision of a world in which government, politics, business, civil society and the daily lives of people are free of corruption.

### Our Values

As a member of staff of TIA, I actively uphold the following values in my daily work:

- > Transparency
- > Accountability
- > Solidarity
- > Courage
- > Justice
- > Democracy
- > Integrity

### Guidelines Principles

As a member of staff of TIA, I am committed to respecting the following principles and I undertake to discharge my duties and regulate my conduct in accordance with these principles:

1. As coalition builders, we will work cooperatively with all individuals and groups, with for profit and not for profit corporations and organisations, and with all levels of governments and international bodies committed to the fight against corruption, subject only to the policies and priorities set by our governing bodies.
2. We undertake to be open, honest and accountable in our relationships with everyone we work with and with each other.
3. We will be democratic, politically non-partisan and non-sectarian in our work.
4. We will condemn bribery and corruption vigorously and courageously wherever it has been reliably identified, although we ourselves do not seek to expose individual cases of corruption.
5. The positions we take will be based on sound, objective and professional analysis and high standards of research.
6. We will only accept funding that does not compromise our ability to address issues freely, thoroughly and objectively.
7. We will provide accurate and timely reports of our activities to our stakeholders.
8. We will respect and encourage respect for fundamental rights and freedoms.
9. We are committed to building, working with and working through national chapters world-wide.
10. We will strive for balanced and diverse representation on our governing bodies.
